CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" Starts Your Liver
Better Than Calomel and You Don't
Lose a Day's Work

Liver up your sluggish liver! Feel fine and cheerful, make your work a pleasure, be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel cranks into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the clean, golden liver and bowel cleansing you ever experienced, just take a spoonful of harmless Dodson's Liver

Tonic tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal money-back guarantee that each spoonful will clear your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, headache and dizziness gone, stomach will be strong and bowels regular. Dodson's Liver Tonic is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tonic instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

PLAN ENTERTAINMENT FOR CLEMSON CADETS

MRS. LIGON ANNOUNCES
THAT ARRANGEMENTS
ARE NOW BEING
COMPLETED

TWO RECEPTIONS
WILL BE GIVEN

Open Air Entertainment on Tuesday Night and Farewell Reception on Friday Night Following.

Mrs. Robert E. Ligon, chairman of the committee to provide entertainment for the Clemson cadets during the encampment, announced yesterday that the plans were shaping up nicely and that everything was getting in readiness for the arrival of the cadets. There will be an important meeting of the ladies of this committee in the rooms of the chamber of commerce on Saturday afternoon at 4:30 o'clock, and it is very urgent that all attend.

Open Air Entertainment.

The first big affair for the cadets will be given on Tuesday night. This will be an open air entertainment at the intersection of Calhoun and McDuffie street. All the people of the city are invited to be present on this occasion to give the cadets a welcome to the city. The asphalt streets will be fixed up for those who wish to dance, and seats are being arranged for the couples who will not dance. Refreshments will be served to the cadets only on the lot at the corner of Greenville and McDuffie streets, a number of the ladies of the city assisting in this. All of those people living along the streets, which will be lighted and used on this occasion, have kindly consented to allow the use of their yards and on these there will be ample space for numerous seats and benches.

This open air entertainment will be something new in Anderson and everything points to its being a grand success. There is no hall in the city large enough for a big reception, and the open air affair will afford an opportunity for all the people of the city to get together and welcome the cadets, at the same time being something like a lawn party and affording a place for those who wish to dance. The young ladies of the city are especially invited to be present on this evening. No invitation's are being mailed out.

Farewell Reception.

A farewell reception for the cadets will be given on Friday evening in the vacant rooms in the Anderson theatre building and in the hall over the theatre. Further announcements will be made later.

The Clemson cadets will arrive in the city Monday morning at 9 o'clock and will go to the camp on the Cater property. A baseball game between Furman and Clemson will be played that afternoon.

All Anderson is anxiously awaiting the arrival of the Clemson boys, and all seem to be even more anxious to make them enjoy themselves than they were last year.

Thomas Cuthbert Trescott Died on Friday, April 21.

THE DOUBLE WEDDING

Given at Anderson Theatre Last Night. Large Attendance.

With Dr. J. P. Major and Mr. Ross Gaines as the brides and Messrs. Archie Todd and Joe Norris as the grooms, the Doolittle-Grimshy wedding was staged at the Anderson theatre last night under the auspices of the Ladies Aid society of the First Baptist church. All of the participants were men, and the affair was ridiculous and amusing. The attendance was good.

Meeting of Ward One Club.

Ward one Democratic club will meet in the court house at nine o'clock on next Saturday morning for the purpose of reorganizing and otherwise complying with the rules of the party.

Chance For Adventure.

Atlanta, April 20.—The hair-raising adventures of Nayland Smith and Dr. Petrie with the poison "Flower of sin" in Sax Rohmer's weird story of a Chinese murder plot are "examples of the prospect offered by the United States government to young men accepting poison plant investigations," just announced in Atlanta. Of course the government will not be the investigator of any plots with poison plants as instruments of death, but the field of investigation offers alluring prospects to the seeker after adventure who loves danger for danger's sake.

IMPORTANT MEETING IN ROBERTS SECTION

WILL BE INTEREST OF PROPOSED ELECTRIC RAILWAY

NEXT WEDNESDAY

Is the Day Decided Upon—Hoped to Close Subscription List at That Time.

Mr. J. L. Murphy yesterday morning announced that there would be an important meeting at Roberts school house next Wednesday afternoon at 4:30 o'clock at which time subscriptions for the Anderson-Atlanta railway to go by what is known as the Green Pond, Centerville and Roberts section route will be secured.

This meeting is a very important one, and all those interested in that route are asked to be present. Those in charge of the meeting hope to close the subscription list at that time. Mr. Murphy and members of the railway extension committee of the chamber of commerce will be present, and will be ready to answer and explain all questions that may arise.

Mr. Murphy went to Starr on Wednesday and stated yesterday that he believed the necessary \$65,000 would now be raised for that route without any trouble. The people seem to be more interested and more fully understand the proposition.

JOHN A HORTON HAS MADE ANNOUNCEMENT

PROMINENT BUSINESS MAN
OF BELTON IN CONGRESSIONAL RACE

TWO YEARS AGO

He Made Race and Since That Time Has Become More Widely Known in District.

Mr. John A. Horton, a prominent banker and citizen of Belton, announces his candidacy for congressman from the Third district in this issue of The Intelligencer. Mr. Horton is an alert business man, conservative and has been remarkably successful at farming and mercantile business and farming.

It has been known for some time that Mr. Horton would make the race for congress this summer. In fact, he has been waging a campaign for several months, visiting the various precincts in the counties that compose the Third district. His campaign has been carried on in a systematic way, and he has made an excellent impression on the people. Two years ago he made the race for congress, and in spite of the fact that he was not well known throughout the district, he received a splendid vote. This year he and his friends predict that his vote will be much larger, so much so that he will be in the second race, and they expect him to be the winner in the last primary election. It is conceded, probably by all that there will be a second primary election for congress, because of the number of candidates that have announced.

Mr. Horton makes known his platform elsewhere in this issue.

J. E. BARTON DECIDES WITHDRAW FROM RACE

WILL NOT BE CANDIDATE
FOR ALDERMAN FROM
WARD ONE

GIVES REASONS

Has at Different Times Served
Three Terms on City Council
--Is Progressive.

Mr. J. E. Barton, three times a member of city council as alderman from Ward one, and who recently announced that he would be a candidate for re-election, has decided to withdraw from the race, and yesterday gave out the following notice to the press, which explains his reasons for taking this unexpected action:

To the Voters of Ward One:

I hereby withdraw from the race for alderman from Ward one and I wish to say further that I take this step simply because I do not care for the position any longer as I have already served on the council six years and I want to thank all my friends for their kindness and cooperation in the past. I may not have pleased all of you all the time but I tried to do by duty as I saw it and I did the best I could under the circumstances. I have always stood for and worked for permanent improvement and I am sure you can all see and enjoy the fruits of my labor. I have given a great deal of my time to the work and have lost thousands of dollars in business in order to help make the city grow and I have watched the development with a great deal of pride and I feel well repaid for the time and money spent. In retiring I do so with the best of feeling and good will for every one both in the ward and city. In the future as in the past I will always be ready and willing to do anything I can to advance the interest of the city.

Again thanking you for your support in the past, I am,
Yours most respectfully,
J. E. Barton.

Mr. Barton has been a resident of Anderson for 35 years and his progressive spirit and energy has made him one of the foremost citizens in wealth and influence. He has been a leader in all the steps Anderson has taken in its progress from a village to a city. He was first elected as alderman in 1906. Since that time he has served three terms, these not consecutively.

EASTER GREETINGS BY
WIRE ON A DECORATED
FORM IS UNIQUE PLAN

The Western Union Telegraph company, always progressive in plans for making more attractive its telegraphic service, made known yesterday that telegram blanks with fancy Easter decorations had been received at the local office and that persons desiring to send greetings to friends and relatives by wire would have the privilege of sending them on a form similar to the season postcard. This is considered by persons who have seen them a unique plan for sending Easter Greetings, and doubtless the "artistic service" will result in increased business for the local office.
